Funding Opportunities

- DOER (Mass Department of Energy Resources)
 - Green Communities
 - Federal Stimulus Funding
 - NGrid Municipal Initiative
-

NGrid Municipal Initiative

- NGrid will fund up to 70% of an electricity based efficiency project
- NGrid will finance the remaining 30% at 0% interest
 - For 18 months
 - The savings is typically more than the monthly payments

An Example

- 2006 School Energy Audit suggested 3 major school efficiency projects:
 - WA Pump VFD's
 - WA Outdoor Air Control
 - Abbot Heating Controls

“Technical Audit Report Westford Schools”, Peregrine White, Jr., P.E., (LCI Energy)
February 17, 2006

NGrid Municipal Initiative - Example

Total Cost:	230,000	Yearly Savings:	46,000
70% from NGrid:	161,000		
30% financed:	<u>69,000</u>		
(Stimulus Funding:	69,000)		

Financed over 18 months

Monthly Payment:	3,833	Monthly Savings:	3,833
